Summary.....

Detail-oriented professional with a strong focus on accuracy and quality in all tasks. Committed to thoroughly understanding processes and the broader context of my work to ensure effective outcomes. Naturally inquisitive and motivated to continuously expand my skills and knowledge, with a proactive approach to learning and improving existing capabilities.

WORK EXPERIENCE.....

Medshield Medical Scheme |
Randburg, JHB
Contract Centre
July. 2023 - Present

- Handled high volumes of inbound calls from members and healthcare providers, assisting with benefit enquiries, claims queries, authorisations, and general medical aid information while maintaining excellent customer service.
- Accurately captured and updated member information on internal systems, logged enquiries, and ensured all interactions complied with company policies and confidentiality standards.
- Investigated and resolved member queries by interpreting medical aid benefits, explaining cover limits and processes clearly, and escalating complex issues to the appropriate departments when necessary.
- Maintained service quality by meeting call centre KPIs such as call handling time, first-call resolution, and customer satisfaction while ensuring professional and empathetic communication with members.
- Recognised with the 2024 Innovation Award for identifying process improvement opportunities and developing a detailed implementation plan that increased operational efficiency.

Matrix Warehouse | Constantia,
JHB
Sales Assistant
Feb. 2023 – June. 2023

- Assisted customers with selecting appropriate technology products by assessing their needs and providing informed recommendations, contributing to increased sales and customer satisfaction.
- Managed point-of-sale transactions, maintained accurate stock levels, and ensured the sales floor was well-organised and merchandised according to store standards.
- Supported branch operations by assisting with staff supervision, daily cash management, stock control, and ensuring compliance with company procedures and service standards.
